PRODUCTION COST ADJUSTMENT: In case the rate under which the District purchases power at wholesale is amended or is adjusted in accordance with a production cost adjustment (PCA) provision in the District's wholesale power contract, the foregoing energy charge shall be adjusted each month by the rate as set forth in the Production Cost Adjustment (PCA) Schedule.

MINIMUM CHARGE: The minimum annual bill shall be the fixed horsepower charge. The minimum billed horsepower shall be: single-phase - 5 horsepower, three-phase - 10 horsepower, wheels-only - 10 horsepower.

TAX CLAUSE: In the event of the imposition of any new tax or the increase of any existing tax or payment in lieu thereof by any lawful authority on the transmission production or sale of electricity, the energy charge to be paid for each kilowatt-hour delivered may be increased by the amount of such tax.

TERMS OF PAYMENT: The fixed horsepower charge shall be payable in advance during the month of May. Energy charges will be payable in the months of August, September and October. Bills are due and payable upon receipt and delinquent if not paid twenty (20) days after receipt.

TERMS AND CONDITIONS:

1. Service will be furnished under the District's Service Rules & Regulations.
2. Extensions made for service under this schedule are subject to the provisions of Service Rule #1.
3. The District's Load Management Program shall be offered to customers under the conditions specified in Service Rule #21.
4. The greater of the 10 horsepower minimum, or actual nameplate horsepower shall be used when billing "wheels-only" services a horsepower charge.
