## PERENNIAL PUBLIC POWER DISTRICT

**PRIMARY AND HIGH VOLTAGE SERVICE**

**POWER FACTOR ADJUSTMENT:** The consumer agrees to maintain unity power factor as nearly as practicable. The demand charges may be adjusted by increasing the measured demand one percent (1%) for each one percent (1%) by which the power factor is less than ninety percent (90%).

**PRODUCTION COST ADJUSTMENT:** In case the rate under which the District purchases power at wholesale is amended or is adjusted in accordance with a production cost adjustment (PCA) provision in the District's wholesale power contract, the foregoing energy charge shall be adjusted each month by the rate as set forth in the Production Cost Adjustment (PCA) Schedule.

**GROSS REVENUE TAX ADJUSTMENT:** Customers located inside the corporate limits of a community, upon whose revenues the District is obligated to pay a five percent (5%) Gross Revenue Tax, shall have their rates adjusted to include the five percent (5%) Gross Revenue Tax. The Gross Revenue Tax is calculated by dividing the basic rates published by 0.95.

**LEASE PAYMENT ADJUSTMENT:** The basic rates do not include the cost of the lease payments, which may be made on revenue received from Customers served from distribution facilities, leased by the District from a municipality. For municipalities receiving lease payments from the District, the rates published herein, excluding Municipal Rider rates (Rate Codes 45 & 57), shall be increased by the lease payment percentage chosen by the municipality.

**TAX CLAUSE:** In the event of the imposition of any new tax or the increase of any existing tax or payment in lieu thereof by any lawful authority on the transmission production or sale of electricity, the energy charge to be paid for each kilowatt-hour delivered may be increased by the amount of such tax.

**TERMS OF PAYMENT:** Bills are due and payable upon receipt and delinquent if not paid twenty (20) days after receipt. A penalty at the rate of \$5.00 or five percent (5%) of the unpaid bill amount, which ever is greater, may be applied to all delinquent accounts after the due date.
