A \$1,000 scholarship may be waiting for you!

Scholarship Application

Perennial Public Power District is offering a \$1,000 per year scholarship to a student planning to enroll in a utility line program.

Applicant Guidelines

Applicants must reside within Perennial's service area to be eligible for a scholarship.

Applicants must fill out and submit the attached application to be considered for a scholarship.

The college offering the utility line program must be accredited.

Who is Perennial

Perennial Public Power District located in York, Nebraska serves over 8,000 customers in York and Fillmore counties including the towns of Benedict, Exeter, Grafton, Gresham, Henderson, Lushton, McCool Junction, Milligan, Ohiowa, Strang, Thayer and Waco. Perennial is a strong and growing company which is experiencing a record high workload for new construction and maintenance. Combined with the fact that some senior line technicians with many years of experience are nearing retirement age, Perennial is anxious to train and hire new line technicians for the future.

This scholarship program is aimed at highly motivated and safety-conscious individuals who want to become line technicians. Perennial does not guarantee future employment through this program but recipients will receive strong consideration.

Name: _____

Address: _____

Phone: _____

E-mail: _____

School you plan to attend _____

Please attach a personal essay, not exceeding 350 words, telling Perennial why you are interested in studying utility line. On a separate sheet, provide 3 references and a list of your activities.
